

leetcode - count prefix 2185

```
class Solution {  
    public int prefixCount(String[] words, String pref) {  
        int ans=0;  
        for (String w : words) {  
            if (w.startsWith(pref)) {  
                ++ans;  
            }  
        }  
        return ans;  
    }  
}
```
